

Planting Seeds of Faith

Reflecting on what you sow in love, even when you don't yet see the fruit

A Seed I Planted Today

Write about one way you sowed God's love into your child's heart today

A Fruit I'm Praying For

What heart change or spiritual growth are you praying for in your child?

Truth I'm Holding Onto

Encourage writing down a Scripture or promise that reminds them that God is working.

“Even the smallest acts of love are never wasted when placed in God's hands”

Personal Prayer

Lord, today I entrust this seed to You...
